

GP project initial evaluation

June 2022

Q1 - I understand the aim of this research project is to develop, implement and evaluate a field education placement curriculum for social work student placement in General Practice clinics in North Queensland. I consent to participate in this project, the details of which have been explained to me, and I have been provided with a written information sheet to keep. I understand that my participation will involve a survey and I agree that the researcher may use the results as described in the information sheet. I acknowledge that: - taking part in this study is voluntary and I am aware that I can stop taking part in it at any time without explanation or prejudice; - the survey will be anonymous and the data cannot be identified to be deleted; - any information I give is anonymous and I cannot be identified in any way.

Yes

No

Q2 - Please indicate whether you are a:

Student

Task Supervisor

Social Work Supervisor (field educator)

GP

Other Health professional

Q5 - I have had a look at and/ or used the GP student preparation modules. If you answer 'no' to this question, Part A of the survey will be skipped and you will be directed to the next relevant question.

Yes

No
